## Second Semester Success

LEGACY and HVA excitedly welcomes the new semester with your student.

- Seniors' semester 1/6/2020 - 5/20/2020
- Underclassmen's semester 1/6/2020 - 6/3/2020

We encourage your student to get a jump start on academic progress with self-monitoring and consistency. Teachers offer consistent feedback in the comment section of [MiStar Parent Portal](#) and credit recovery mentors guide daily lessons that you can view in the Apex system. Ask your student to [login into Apex](#) to see his or her progress in a course, time stamps of latest class work or total number of hours worked in a course.

Legacy hosted Lincoln! In fun volleyball games for all, Legacy students demonstrated their court skills!
